## Invitation to serve

We are always looking for enthusiastic and dedicated parents to join our team of Sunday School teachers! If you are interested in teaching and helping children grow in their faith, please let us know. Additionally, we are excited to offer middle school and high school students the opportunity to become teacher's assistants. This is a great way for young people to develop leadership skills and serve. Please indicate if you or your child is interested in joining the Sunday school staff. The first teacher's meeting of the year is coming up on August 20th. Hope to see you there if you're interested!
